

# 2017 OSU Materials Week Call for Posters

Students and postdoctoral researchers at The Ohio State University are invited to contribute posters to the 2017 OSU Materials Week Student Poster Sessions.

Posters can relate to research conducted in any topic relevant to materials-allied research. Poster sessions will be held on Wednesday, May 10 and Thursday, May 11, 2017 in the Blackwell Ballroom, and students will be assigned to present at one of these two sessions.

Awards will be given to the top posters!

## Poster Submission Instructions

Online registration is set to open in early February 2017 and poster registration will end on Friday, April 7, 2017.

Posters must be submitted using the 2017 OSU Materials Week online registration process. To register a poster for a Student Poster Session, register for the conference online, check the box indicating that you will present a poster, and type the requested information in the appropriate spaces:

- Poster title
- Authors' names
- Presenter's name and department
- Advisors' names
- A brief (200 word maximum) description of the research conducted

The information submitted will be used in the published poster session guides distributed to judges and all guests at the event.

For more information about 2017 OSU Materials Week, including conference registration:  
[go.osu.edu/2017OSUMaterialsWeek](http://go.osu.edu/2017OSUMaterialsWeek)

## Poster Topics

Each poster should be assigned to one of the topic areas below at the time of registration:

- Bio-based and Biological Materials
- Characterization
- Computation, Modeling & Data Analytics
- Electronic, Magnetic & Molecular Materials
- Energy, Environment, Sustainability & Power
- Nanoelectronics & Nanophotonics
- Polymers
- Structural Materials
- Synthesis & Fabrication
- Other

At least one week before the event, you will be contacted with your assigned poster session date.

## Poster Guidelines

Posters should be:

- Brief and clearly organized
- Simple, with an obvious theme
- Easy to read from 4 to 6 feet away

### Poster Dimensions

- Maximum poster size is 36" x 48"
- Landscape (horizontal) orientation
- Unmounted (no foam core)
- T-pins will be provided to hang your poster

## Poster Set Up & Removal

- Set up is between 3:00 and 5:00 p.m. on your assigned date. Bring your poster to the registration desk at that time, check in with registration staff and hang your poster in the assigned location.
- You must be present at your assigned Poster Session from 5:00-7:00 p.m. to discuss your research.
- Posters must be removed immediately after the poster session at 7:00 p.m.

## Information for Postdoctoral Researchers

Postdoctoral Researchers are invited to present a poster, but are not eligible for awards and will not be formally judged. If you are a postdoctoral researcher and are interested in being a judge for one of the poster sessions, please Jennifer Donovan at [donovan.205@osu.edu](mailto:donovan.205@osu.edu) or 614-292-6904. Judges are eligible to present a poster on the night that they do not judge.
