2019 OSU Materials Week
Call for Posters

Students and postdoctoral researchers at The Ohio State University are invited to contribute posters to the 2019 OSU Materials Week Student Poster Sessions.

Posters can relate to research conducted in any topic relevant to materials-allied research. Poster sessions will be held on Tuesday, May 7 and Wednesday, May 8, 2019 in the Blackwell Ballroom, and students will be assigned to present at one of these two sessions.

Awards will be given to the top posters!

Poster Submission Instructions

Online registration is set to open in mid-February 2019 and poster registration will end on Friday, April 5, 2019.

Posters must be submitted using the 2019 OSU Materials Week online registration process. To register a poster for a Student Poster Session, register for the conference online which will direct you to submit your poster submission via our new abstract management portal. Please note: You will be able to modify your submission until April 5th

- Poster title
- Authors’ names
- Presenter’s name and department
- Advisors’ names
- A brief (200 word maximum) description of the research conducted

The information submitted will be used in the published poster session guides distributed to judges and all guests at the event.
